EDUCATION

MCS | The Islamia University of Bahawalpur 2018-2020

PROFESSIONAL EXPERIENCE 2+

Shaheen Developers | Lahore, Pakistan 2026 – Present
Graphic Designer | **On-site**

- Design social media content, promotional posts, and brand visuals for multiple product lines.
- Create marketing collateral including banners, flyers, and digital ads using Illustrator and Canva.
- Maintain visual consistency across platforms by applying brand guidelines across all deliverables.
- Collaborate with the marketing team to produce campaign-ready assets on tight deadlines.

Murcurysols | Rahim Yar Khan July 2024 - Dec 2025
Graphic Designer | **Onsite**

- Designed social media posts, YouTube thumbnails, and promotional banners for client campaigns.
- Produced brand identity assets including logos, color palettes, and typography guidelines.
- Built Fiverr gig visuals and portfolio graphics that contributed to increased profile visibility.

KEY PROJECTS

Social Media Campaign Visuals

Designed multi-platform post series (Instagram, Facebook, LinkedIn) for product launches and seasonal campaigns, consistent grid layouts, strong typography, and on-brand color usage.

Social Media Campaign Visuals

Created full YouTube branding kits: channel art, thumbnails, end screens, and intro graphics, optimized for platform dimensions and click-through appeal.

Logo & Brand Identity Design

Delivered logo suites and brand identity packages for small businesses, including primary logo, variations, favicon, and brand color/font guides in Illustrator.

Fiverr Gig Graphics

Designed high-converting Fiverr gig images and profile visuals, focused on clarity, hierarchy, and standing out in competitive categories.

LinkedIn Profile & Featured Section Graphics

Produced LinkedIn banners and Featured section images for personal branding, clean, professional layouts that communicate value at a glance.
